“ Authur was a U.S Veteran and loved his country dearly. He was just so content with just landscaping, gardening, hunting, and more than anything rooting on the New Orleans Saints. #WHODAT! You are one very missed man.

“ I delivered the mail to this sweet man for many years before I retired & we would always have a nice visit at the mailbox, talking about gardens, the weather & lots of different things! If he was in his yard, or even some of the other yards that he always worked in, as I would pass by, he would throw his hand up & holler hey there! Always made my day to be able to stop & visit with him! Such a good man that I know will be missed greatly!! Prayers for all his family! 🙏🙏
