“ I remember staying at ny Aunt Virginia;s house when I visited MS. She always cooked a delicious breakfast. I never liked to get up too early. She would let me sleep a little while. Then she would come to the door and say, "Shambry, its time to get up now." She was always very nice to me, her niece, who is her Mother's namesake.

Although, I am not there today to share in the memory of you with our family, you are always a part of my memory. Showing love and good guidance to me and our family. I remember the good nights visits and breakfasts you would fix for me as a child and would feed the family know matter what time of day or night. You were always welcoming for anyone to stay in your home and always looked out for my grandmother, Ruthie Lewis. Aunt Virginia, I will always treasure you in my heart and memory. You were a wonderful, loving, mother and mother figure to all which shows on how beautiful your children, grandchildren, great grands etc... have turned out to be. We all love you forever more.
