“ *It's hard to put into words how I feel about your passing Aunt Tweety. Of course the natural emotions of loss takes its toll on a family like nothing else can. However, from what I saw and viewed over the last 8 years I've been a part of this family. You were loved and cherished as one should be. I remember how excited I was when you remembered me and that made me feel complete in our family. Love you and I will miss you but I also feel ok because I know you are reunited with the ones you love. RIP Aunt Tweety - Jazzy* ”
