“ *Dear Lord, please comfort those in grief,
Love them, lift them, give relief
For loss they've suffered, sadness felt;
Make this sorrow slowly melt.*

*Lord, let happy memories ease,
Creating peace like a gentle breeze,
And as you help them make it through.
Draw them closer, Lord, to you.*

Sincere condolences on your loss.

“*Monique always had a positive outlook on everything! She encouraged me often in High School because I was extremely sensitive. She always would laugh (I can hear it now still). Even when I moved away in what would be our last conversation, she was simply a joy to know, well spoken and in good company with. I told her, "I love you my friend and thank you for talking to me." She said it too and that remains the same. I rejoice on the good as she would want. In the natural it hurts to know that she's gone so soon but knowing that there's no more bad days or sick days because our Heavenly Father has completely healed her is great relief. I know the brief time she had with her daughter will never been forgotten. She'll always be that angel and speaking encouragement to her daughter still for the rest of her life. Monique will forever be in our thoughts but more importantly our hearts. Until we see you again my friend. It's never goodbye...only see you later on a beautiful, sunny day in Heaven.*
