“ I remember the first day I met you. I was moving into my apartment across from Erica. You came over to assist with the move. You was so funny and sweet. You came over everyday after that. One day you came over and never left. We got married and had our daughter. For years you gave me bliss. You was a great father step father and husband. I love you always and I will miss you so much. May you rest in peace.

*Love you always
