“ I remember when Uncle Roger took me to get my driving license and I passed it. I remember when Grandma passed his sister and he told me Severdoer you knew your Grandma loved you and everything is going to be okay. As a little boy Uncle Roger you was a part of raising me I know as I got older hadn't seen you too much but I would never forget how important you was in my life. Just want to say I'm going to miss you I'm going to love you forever your nephews Severdoer.
