“ Auntie,

I will always hold a special place in my heart for you. I'm your twin as everyone says and I know you loved me and I loved you. Thank you for always loving me. Take your rest and tell my daddy I love him for me.

“ Ms. Sue, you will be missed dearly. Thank you for being a loving and careful mother to my best friend! I remember sitting at your table eating spaghetti as a little girl. Later, as a teenager, you asked 200 questions about where Tammy and I were going or what we would be doing all day. As we became wives and mothers ourselves, we began to understand why you needed to know. You were a great momma to Tammy and another set of eyes who watched out for me, and I'm forever grateful. Rest in the Heavenly Palace - Love, Moonie :-)
